

REIMAGINING GRADES & ASSESSMENTS

November 22, 2019
Cannon School
Agenda

8:30am Registration & Continental Breakfast

9:00am Welcome

9:15am The Competency Education Framework | Rose Colby

In the morning session, participants will be introduced to the competency education framework. Why competency education now? What does it look like in classrooms? How do I shift from traditional teaching and learning in the standards-based classroom to this competency framework? This introductory session will lead to an afternoon for school teams to think through their readiness to move to competency education.

10:15am Break

10:30am The Competency Education Framework, continued

11:45am Lunch

12:30pm Debrief & Next Thoughts

1:15PM Break

1:30pm Sandbox: "Playing" with the new tools

Either in school teams or in small groups, participants will spend meaningful and intentional time digging in to the new educational model, what pedagogical changes can be made at school, and begin building a framework that incorporates the central facets of competency education through the lens of the school's mission.

3:00pm Adjourn
